phone: 781-545-8026 ext. 204

Send entries to:

MME Marine Art Contest

c/o Stellwagen Bank National Marine Sanctuary

175 Edward Foster Road

Scituate, MA 02066

Massachusetts Marine Educators and co-sponsors invite students in grades K-12 to participate in the 2017 Marine Art Contest. The theme is *“Exploring the Marine Biodiversity of Stellwagen Bank National Marine Sanctuary.”*

REQUIREMENTS:

- ❖ Make sure that all artwork depicts species that are found in Stellwagen Bank National Marine Sanctuary located in the Gulf of Maine just off the Massachusetts coast.
- ❖ Entries should be no smaller than 8”x10” and no larger than 18”x 24”.
- ❖ White, non-glossy paper is recommended — please do NOT laminate and try to keep artwork flat. Do not fold, if possible.
- ❖ Label each entry on the back with student’s name, age, grade, school, school address, school phone number, teacher’s name and teacher’s email address or use the official entry form. On a separate line write the name(s) of the animal(s) in the artwork.
- ❖ For individual entries (not associated with a school program) include home address, email of parent or guardian, and phone number for correspondence purposes

DEADLINE — Friday, April 28, 2017

Deliver in person or via delivery service or postal service (1st class mail) with postmark by deadline date to:

MME Marine Art Contest,

c/o Stellwagen Bank National Marine Sanctuary,

175 Edward Foster Road,

Scituate, MA 02066

ALTERNATE THEME FOR COMPUTER GRAPHICS:

In recognition of the 25th anniversary of Stellwagen Bank National Marine Sanctuary in 2017, artwork commemorating this anniversary is offered as an alternate theme and will be used by the sanctuary in publications and at events. In addition to a printout of the artwork, please send a digital file via disk, thumbdrive or email (stellwagen@noaa.gov).

SPECIES LIST

PHYTOPLANKTON

Diatoms
Dinoflagellates
Blue-green algae

ZOOPLANKTON

Arthropods – Copepods and other drifting crustaceans
Chaetognaths – Arrow worms
Cnidarians Moon jelly, Lion's mane jelly
Ctenophores – Beroe's comb jelly,
Sea gooseberry
Mollusk – Pteropod, Naked sea butterfly
Larval fish and invertebrates

INVERTEBRATES

Sponges

Finger sponge
Breadcrumb sponge
Chalice sponge

Cnidarians

Frilled anemone
Northern red anemone
Northern cerianthid
Red soft coral
Dead man's fingers (soft coral)
Solitary hydroid
Tubularian (pink-hearted) hydroid

Bryozoans (Spiral tufted bryozoan)

Mollusks

Ocean quahog
Northern horse mussel
Sea scallop
Northern moon snail
Waved and Ten-ridged whelks
Red-gilled nudibranch
Short- and Long-finned squid
Atlantic octopus

Worms

Nemerteans (ribbon worms)
Annelids (segmented worms)
Clam and Fan worms
Leafy paddle worm

Brachiopods (Northern lamp shell)

Arthropods

Rough barnacle
Acadian and Hairy hermit crabs
Jonah and Rock crabs
Toad crab
American lobster
Northern pink and Sand shrimp
Mysid and Skeleton shrimp
Lentel sea spider
Horseshoe crab

Invertebrates (continued)

Echinoderms

Forbes' sea star
Spiny and Smooth sunstars
Horse and Badge stars
Blood sea star
Daisy brittle star
Northern basket star
Orange-footed cucumber
Scarlet psolus
Common sand dollar
Green sea urchin

Tunicates

Stalked sea squirt (Boltenia)
Sea vase and Sea peach
Northern white crust
Club tunicate

FISHES

Sharks

Thresher shark
Blue shark
Shortfin mako shark
White shark
Porbeagle
Basking shark
Spiny dogfish

Skates

Winter (big) skate
Little skate
Barndoor skate
Thorny skate

Small, Schooling Prey Fish

Northern sand lance
Atlantic herring
Atlantic mackerel
Butterfish

Flounders

Atlantic halibut
American plaice
Four-spot flounder
Windowpane flounder
Winter flounder
Witch flounder
Yellowtail flounder

Gadids (cod family)

Atlantic cod
Cusk
Haddock
Pollock
Red and White hakes
Silver hake (Whiting)

Silvery Swimmers (pelagic)

Atlantic salmon
Bluefish
Bluefin tuna
Striped bass

Demersal (seafloor)

Dwellers

Atlantic wolfish
Sea raven
Ocean pout
Acadian redfish
Longhorn, Shorthorn and
Grubby sculpins
Northern sea robin
Cunner
Black sea bass
Goosefish (Monkfish)
Snakeblenny
Radiated shanney
Fourbeard rockling

Unusual Shape

Ocean sunfish
Pipefish
Hagfish
Lumpfish

MARINE MAMMALS

Baleen Whales

Blue whale
Fin whale
North Atlantic right whale
Humpback whale
Sei whale
Minke whale

Toothed Whales

Sperm whale
Orca (Killer whale)
Long-finned pilot whale
Atlantic white-sided
dolphin
Atlantic white-beaked
dolphin
Common dolphin
Harbor porpoise

Seals

Harbor seal
Gray seal
Harp, Hooded and Ringed
seals

This is only a partial list of sanctuary species. A more complete list of sanctuary marine life (culled from published scientific papers) can be found in Appendix J of the 2010 Final Management Plan and Environmental Assessment for Stellwagen Bank National Marine Sanctuary, available online at <http://stellwagen.noaa.gov>.

SEABIRDS

Alcids

Razorbill
Dovekie
Atlantic puffin
Common murre
Thick-billed murre
Black guillemot
Great auk (extinct)

Gulls and Terns

Herring gull
Great black-backed gull
Lesser black-backed gull
Laughing gull
Bonaparte's gull
Ring-billed gull
Iceland gull
Glaucous gull
Sabine's gull
Black-legged kittiwake
Least tern
Roseate tern
Common tern
Arctic tern

Gannets and Cormorants

Northern gannet
Great cormorant
Double-crested cormorant

Sea Ducks and Loons

Common eider
Long-tailed duck
Black scoter
Surf scoter
White-winged scoter
Great skua
Common loon

Shearwaters, Storm Petrels and Albatrosses

Great shearwater
Cory's shearwater
Sooty shearwater
Manx shearwater
Wilson's storm petrel
Leach's storm petrel
Yellow-nosed albatross

Fulmars, Jaegers, Phalaropes

Northern fulmar
Parasitic jaeger
Pomarine jaeger
Long-tailed jaeger
Red-necked phalarope
Red phalarope

SEA TURTLES

Kemp's ridley sea turtle
Leatherback sea turtle
Loggerhead sea turtle
Green sea turtle

Entry Form

2017 MME

Marine Art Contest

*Exploring the Marine Biodiversity
of Stellwagen Bank*

National Marine Sanctuary

Submission of this entry gives the sponsoring organizations all rights to use the artwork for non-commercial purposes, in products that serve as fundraisers for the nonprofit sponsors and to promote and publicize the contest and traveling exhibition of winning art. Any use of artwork will be accompanied by credit to the student and school. Credit for high school art will include the student's full name. For grades K-8, students will be identified by school and first name/last initial only. All winning artwork and honorable mentions will be posted on the sanctuary website (selected artwork will also be posted to the MME website). Sponsors will attempt to return all artwork in a timely fashion. Personal information on this form will be kept securely and not released to any outside individual or organization.
